Solenoids for Overspeed Governor		
3.0	from 01st January 2019	
	Version 19-01	

3.1 Anti creep-protection and remote release / encapsulated solenoid

Replacement possible by the following overspeed governors

Type 7/9 300mm from year of construction 2000

Type 8 200mm from year of construction 2008

Description	Order No.
Anti creep-protection GB/AS 12V DC 100% ED incl. switch and holder	580042
Anti creep-protection GB/AS 24V DC 100% ED incl. switch and holder	580049
Safety switch for Anti creep-protection	521634
Holder for the solenoid of anti creep-protection or remote release	580046

Description	Order No.
Remote release GB / FA 230V AC 15% ED	580056
Remote release GB / FA 110V AC 15% ED	580157

3.2 Anti creep-protection and remote release / frame solenoid

Replacement possible by the following overspeed governors

Type 7/9 300mm and Type 8 200mm from year of construction 2015

Description	Order No.
Anti creep-protection GB/AS 12V DC 100% ED incl. switch and holder	300012
Anti creep-protection GB/AS 24V DC 100% ED incl. switch and holder	300024
Anti creep-protection GB/AS 230V AC 100% ED incl. switch and holder	300230
Safety switch for Anti creep-protection	300020
Description	Order No.
Remote release GB / FA 12V DC 100% ED incl. holder	400012
Remote release GB / FA 24V DC 100% ED incl. holder	400024
Remote release GB / FA 230V AC 100% ED incl. holder	400230
Description	Order No.
Key switch (puls mode) for remote release	580057
Warning sign for key switch remote release	580058
Key switch (puls mode) for Anti creep-protection	580059-S
Warning sign for key switch Anti creep-protection	580060
